## Appreciate Your Teacher Next Week!

Everyone knows that FCES teachers are the best around. Let's show our teachers how much we love them next week!

### Teacher Appreciation Week May 5th—9th

Honor your teacher in any way you wish. Some ideas:

- Ask your teacher if they need any classroom supplies to make it to the end of the school year, and bring these supplies in.
- Have your child write a personal note to give to their teacher.
- Send in small gifts (home-made goodies, gift cards, etc).
- Don't forget our specialist teachers (PE, Music, Library, and Computer).

*Monday May 5<sup>th</sup>: Have your child bring a single flower for their teacher to create a beautiful bouquet!*

Costumes are very simple and not required until the evening of the performance. There are no costume changes or makeup requirements. If you have questions or concerns about the schedule or your student's part or costume, please contact me by phone or email below.
