Walk-a-thon 2008

Planning has just begun for Walk-a-Thon 2008 to be held October 2nd. As you know, it is great day for our school and the kids have a blast. Over 20,000 laps are walked and together, we raise \$60,000 for the PTSA.

Join the WAT committee and help get the next school year off to a great start! The WAT '08 committee chairs are Marshella Kenow and Michelle Sellars. Each committee member takes a small job so no one has too much to do. We have a lot of fun and would like new parents to join in. Contact marshellak@comcast.net or choat@centurytel.net to sign up!

Fall City Days Parade

Saturday, June 14th

All FCES students are invited to walk with *Bubbles*, the salmon, again this year! Parade line-up starts at 10 a.m. on Redmond-Fall City Road next to the FCES playground. Look for Bubbles and join the fun! Free t-shirts to the first 200 children.

High School Musical 2 Dances

There is space available in the two classes remaining this school year. Join Howie for a great workout and fun as you learn HSM dances – after school in the gym on Monday, June 9th and 16th. Visit www.fcesptsa.org for more information. (fee \$24)
