Build and Share Food Drive!

Build and Share, FCES's annual food drive is continuing through Tuesday, December 16th. We had a great week with many classes reaching their 50% milestones and some have reached their 100% goals! Mt. Si students came by and made the

first pick up and delivery this past Wednesday. The last pick up will be next Wednesday, December 17th. It is not too late to send in additional items, cash, or checks and help classes surpass their goals! Please check with your child's teacher if you don't know what their class is collecting. Food items and cash collected will be donated to local food banks in Fall City which are serving over 30 in-need families on a regular basis with more coming every week. The generosity of this community is inspiring! Happy Holidays! Becky Davie

Show your School Spirit!

Get 10% off all orders in December. Just in time for the holidays! Order at www.fcesptsa.org

The selection of items is vast -- from duffle bags to blankets, from tee shirts to the ever-popular hoodie. All items come with the traditional Fall City Elementary logo created by art teacher Trese Rand and her father. Or choose the bold, updated Falcon head as your design. Either way you will be showing your pride in our school -- and getting a few holiday gifts along the way!

Third Grade Concert - *Winter Festival of Song* Order your own DVD of the performance!

Mt. Si's Wildcat Video Productions will be producing a live, three camera video production of "Winter Festival of Song."

COST: \$15.00 DVD (orders rec'd after 01-09 will be charged a \$5.00 late charge)

Orders will be available 3-4 weeks after the event and will come home with your child.

The forms have been delivered to each 3rd grade teacher and will be handed out this week. If you have any questions, please contact Terry Coleman: 425-333-0089 or tercole5@comcast.net

Do You Know a Great Leader for Next Year's PTSA?

Over winter break, start thinking of potential candidates to run the 2008/2009 PTSA. The Nominating Committee will be asking for your input in January. Keep our school a great place by helping the committee create a strong slate of recommended officers for next year!
