Holiday Food Drive (Dec 1st- Dec 17th)

Fall City Elementary's annual Food Drive is here. The Build and Share Food Drive will run Tuesday December 1st through Thursday December 17th. All donations will be divided between the two local Food Banks in Fall City, so this is a GREAT opportunity for your Child(ren) to experience giving at a local level. The program this year is each class being assigned a specific item to bring in and an individual class goal. Please start sending your food donations in this week.

Additionally, each class has a cash goal, which can be used by the local food banks to purchase specific items that are in short supply.

FCES is famous for its generosity during the annual Food Drive and the kids have a great opportunity to learn about community service, goal setting, and giving back. At the end of the the Food Drive, all classes that reach their goals will receive a certificate of achievement for community service.
